Welcome to EGVN

EGVN Supplier Portal is an interactive vendor network platform, designed by ENKA Systems, which enables self-service business transactions between Company and its authorized Vendors through a secure, web-based portal. Vendors can register via the "vendor registration" process on company webpages.

Vendors can use Portal to exchange business documents including company Information, RFQ Inquiries&Quatations, Questions&Answers(Q&A), Supplier Catalogs and Documents(NDA, financial documents, quality certificates etc.). Portal provides a transparent vendor management process.

Welcome

To create new record in Global Supplier Database of ENKA, you must complete the information entry of your company.

The accuracy and sufficiency of the information is important cause the information that you will entry will be used actively in ENKA's worldwide projects to reach potential suppliers and get price quotes.

ENKA, does not not guarantee that each company that registered in database receive an invitation to bid.

We hope that our success and cooperation will growingly continue.

Standards of Conduct

ENKA is committed to the highest standards of business ethics and corporate compliance. It is ENKA's policy to deal only with organizations that have ethical standards compatible with its own.

We expect suppliers, subcontractors, consultants, agents, and other third-party providers (i.e. stakeholders) to act in a manner consistent with ENKA's Code of Business Conduct.

I have read and understood the above Standards of Conduct
